

ChildCare Education Institute's Trainers Are Approved by Georgia Bright from the Start

ChildCare Education Institute

ChildCare Education Institute (CCEI) is a nationally accredited institute dedicated to providing online training to meet the continuing education requirements of the child care industry. CCEI offers over 100 online professional development courses, plus online certificate course of study programs, such as the Child Development Associate (CDA) and a Director Certificate Program. CCEI is accredited by the Accrediting Commission of the Distance Education and Training Commission (DETC) and is approved by the International Association for Continuing Education Training (IACET) to award IACET Continuing Education Units (CEUs).

CCEI coursework is delivered through a state-of-the-art learning management system that provides user-friendly enrollment, easy access to courses, and a self-paced, engaging online learning environment for students. The self-paced format and 24/7 accessibility allow students to maintain a family-work balance while continuing their education. Coursework is competency-based, which facilitates information retention. In addition, CCEI has course offerings in both English and Spanish.

Individual professional development courses offered by CCEI cover topics pertinent to the child care industry. Course categories include Health and Safety, Nutrition & Food Service, Child Development, Classroom Management, Guidance & Discipline, and many others. Each completed hour of CCEI coursework is granted 0.1 CEU and may articulate to college credit.

CCEI's offering of online certificate programs includes several options that meet the 120-hour training requirement of the Child Development Associate (CDA) credential as required by the Council for Professional Recognition, as well as a Director's Certificate and many state-specific certificate programs. Programs are designed to meet the varying needs of students. While programs are self-paced, CCEI also offers access to an Education Coach and a Technical Help Desk to deliver assistance, encouragement, and feedback throughout the program.

Pinnacle™ Curriculum

Pinnacle is a research-based early childhood curriculum, designed with both teachers and students in mind. Based on the works of Piaget, Gardner, and Erikson, Pinnacle provides teachers with lessons that engage children in developmentally appropriate activities. Pinnacle is published in an easy-to-use, reusable format that includes lesson plan guides, activity enrichments, and long-range goals linked to key standards. Comprehensive programs are offered for Infants, Toddlers, Twos, Threes, Fours, and School-Age children. Pinnacle is available in Secular and Faith-Based versions.

Customized Training Programs

Customized training hosted by CCEI offers a convenient, effective way to improve service and prevent employee turnover by expanding your professional development options and easily accessing training reports. Work with the CCEI product development team to seamlessly convert your existing content into online coursework, including graphics, competency benchmarks, and course designs that meet key requirements for successful online adult learning.

Meet Annual Training Requirements with Online Coursework from CCEI

CCEI Individual Professional Development Subscriptions provide students unlimited, annual access to over 100 IACET CEU awarded courses. The Center-Based Professional Development subscription allows Center Directors to assign, monitor, and manage professional development for the entire staff. Available in 20 or 50 user subscriptions, the Center-Based subscription is the most manageable and cost-effective method for providing organized training to an entire staff.
